

## Fits almost any kind of sheave!

# **Belt Alignment**

**D92** 

### **EASY TO USE**

The tool is attached in a few seconds, and you can easily see the laser line projected onto the targets. When the line lies in the slots of the targets, the machine is in the right position. The result is a fast, precise alignment.

- Much faster and more accurate than measuring with earlier, conventional methods
- Alignment can be made by one operator
- Also suitable for non-magnetic sheaves

#### **ALIGNMENT SAVES MONEY**

When aligning with the Easy-Laser® BTA you reduce the wear on sheaves/pulleys, belts, bearings and seals as well as reducing vibration. Increased efficiency also means large energy cost savings. Especially transmissions with two or more belts, or wide belts, are highly affected by misalignment, causing large differences in belt tensions and also increased wear and tear on belt edges.

#### **EXAMPLE OF PULLEY MISALIGNMENT**

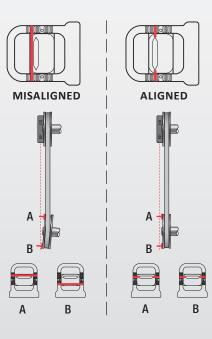

Difference in belt forces.

Twist misalignment

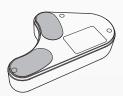

#### **HOW IT WORKS**

The targets are easily adjusted for pulleys with sheaves of different sheave face widths.

Magnetic reference surface on both transmitter and target for easy attachment to the sheaves. On non-magnetic sheaves the units can be mounted with double sided tape.

Thanks to the clever design the units fit small as well as large sheaves.

### Easy-Laser® D92 BTA, Part No. 12-1332

1	Laser transmitter
---	-------------------

- 2 Targets
- Padded case
- Manual
- Battery R6 (AA) 1.5 V

Ø60 mm [2.5"] and larger
40 mm to 3 m [1.6" to 10'] (LOW power mode)
0.5 m to 10 m [20" to 33'] (HIGH power mode)
2
< 0.6 mW (LOW power mode)
< 4.8 mW (HIGH power mode)
635-670 nm
60°
Laser plane – Reference plane:
Parallelity: < 0.05°, Offset < 0.2 mm [0.008"]
1xR6 (AA) 1.5 V
Up to 12 h continuously
ABS plastics / Hard anodized aluminium
WxHxD: 145x86x30 mm [5.7x3.4x1.2"]
265 g [9.35 oz]

Small, padded transportation bag fits easily in any tool case.

Belt clip on back side.

Easy-Laser® is manufactured by Easy-Laser AB, Alfagatan 6, SE-431 49 Mölndal, Sweden Tel +46 31 708 63 00, Fax +46 31 708 63 50, e-mail: info@easylaser.com, www.easylaser.com © 2022 Easy-Laser AB.
